RBD Plasma Air Purifier

“Stay Protected With Coway RBD Plasma and IONiser”

DESIGNED FOR POWERFUL PROTECTION

Why we use Tornado?

Di tengah pandemi yang berkepanjangan dan masa **PPKM** darurat saat ini, masyarakat pastinya akan bertambah khawatir. Untuk membuang rasa khawatir itu **Coway** menghadirkan Air Purifier baru bernama **Tornado** yang lebih dari sekedar penyaring udara biasa.

Tornado dapat melindungimu dan keluargamu dari virus serta bakteri berbahaya karena **Tornado** memiliki **RDB Plasma** yang dapat membantu sirkulasi udara dan memurnikannya untuk mencegah masuknya virus berbahaya.

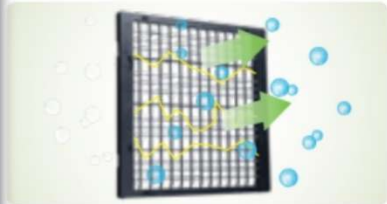

RBD PLASMA

Di buat secara profesional oleh tim Peneliti R&D dari Coway untuk meningkatkan kapasitas sterilisasi dan untuk secara efektif menangkap gas, alergen dan polutan berbahaya

MORE THAN JUST AIR FILTRATION

coway

RBD Plasma System

Diciptakan sendiri oleh peneliti R&D dari coway, Resistive Barrier Discharge (RBD) Plasma dan system penyaringan memiliki kapasitas sterilisasi yang sudah diperkuat untuk menghilangkan gas berbahaya seperti volatile organic compounds (VOCs), formaldehida, bakteri dan virus

Air Purifier dengan Ioniser

Membantu menjernihkan udara, ioniser melenyapkan activated oxygen dan listrik statis dari udara

Fine Dust dan Odour Indicator (New)

Memberikan peringatan tentang tingkatan partikel debu berukuran mikro (PM.2.5) dan bau tidak sedap di udara.

AIR PURIFIER WITH IONISER

Menghasilkan ion Negatif untuk
menyeimbangkan kadar ion di udara

FINE DUST AND ODOUR INDICATORS

Provide a digital real-time update on the level of microfine dust particles (PM 2.5 meter) and the presence of strong odour in the air.

What's Different?

- ▲ RDB Plasma + Ion System
Most Innovative and Powerfull Technology
